In this world, where free flight has so few friends, we should try to remember those few. Our host on this field, The Collens family, operates a retail facility "Fair Weather Acres" at 1146 Cromwell Ave. in Rocky Hill. It is .8 mile south on route 3 from West St. (route 411). West St. is at I-91 exit 23 and route 3 is a stones throw to the west.

Remember, the Banquet is Oct,24th.
