

A KNIFE FOR PROP CARVERS EVERYWHERE

Bob Gourdon of Superior Props is now offering a super deal on an extremely sharp carbon steel carving knife. It's not only extremely sharp, but easy to keep that way. A knife this good would normally cost double the \$7 price Bob is charging. Whether using it to finish a Superior prop blank or carving one from scratch, this is something you should have in your toolbox. Superior Props, 516 Driftwood Circle, Slidell, LA 70458
