An Appeal For a Touch of Charity at the Turkey Meet

With the wartime level of deployment of our Navy and Marine Corps folks, the number of personal financial crisis situations has risen. The following letter by Scott Cannon explains the deal. Please give him a hand.

Dear Fellow Pensacola FF Team Members,

I have been placed in charge of organizing the annual raffle to be held at the Gathering of the Turkeys Meet on the weekend of October 12, 13 and 14th. The raffle's proceeds are donated to the Navy-Marine relief fund, which provides funds to service men and women in times of personal financial crisis. These funds are going to be especially needed this year as donations to the relief fund are way down from this time last year. This event is one of the few opportunities that we modelers have to show our appreciation to the Navy for allowing us to use the two large fields for flying our model airplanes. It is therefore very important for all of us to ensure that this raffle is a complete success.

I am asking everyone to make a donation of items that can be used as prizes in this raffle. Items such as model kits, engines, model supplies, accessories or anything large or small associated with our modeling activity can be donated. Bob Junk has agreed to receive these donations for the Pensacola area. Bob's address and phone number are below. For those of you that do not have any modeling supplies to donate, I am also taking cash donations that will be combined to purchase prizes for the raffle. You can send a check to the address above made out to me and marked "for raffle donation".

I sincerely hope to have this raffle go down in history as being the best raffle we have ever had with many prizes and many winners. I thank you in advance for your generosity in making this a success for all of us.

Sincerely,

Scott Cannon

In the Pensacola area, send donations to
