

Central Ohio Free Flight Annual Contest Results, Muncie, IN, Sept 21 and 22, 2013

It was a little windy Saturday reaching about 15 mph but flyable all day. Prior to awards Saturday, we observed a memorial moment for Bob Placier who died about six months ago. He had been CD of this contest for the past 10 or 12 years. In attendance was Bob's wife Pat, his daughter Peggy and son Thom. Don Boyer, Bob's friend since boyhood acted as assistant CD. As kids the two of them from Chillicothe, Ohio used a gravel parking lot as there flying field. Now that's determination! Bob Edelstein crashed his plane during the day and Bob's daughter Peggy bestowed a "Crash and Burn Award" on Edelstein, an honor Bob Placier had usually been the recipient of. We will miss Bob very much – an ever enduring modeler and friend to all.

There were 31 entries with flying results Saturday as follows:

Nos. A gas	Hank Sperzel	425
	Charlie Harper	348
	Gene Wicks	333
