

**Wilbur & Orville Summer 2012 Contest (Class AA, sanction number 12-1506)**  
**America Cup and National Cup Contest**  
**CD: Andrew Barron    Coordinator: Sarah Radziunas**

Thanks for the feedback on the report of the junior performance this summer. The kids sure did great!

Here below is a report on the Wilbur and Orville August America's Cup and National Cup meet last weekend at Barron Field in Wawayanda, New York.

Sarah and Kathy Radziunas did a great job with organization and score keeping. It made the CD job easy. Both days the winds were light and variable in the mornings, so we flew from the middle of the field. In the afternoons the winds were steady from the East, South-East. We made a whole strip of the sod be the flight line, so those that used the golf carts to go sufficiently up-wind before launching would usually avoid landing in the neighboring crops, while those who did not venture as far up-wind would then need to do some crop retrieves.

There were max-out wins by Dick Ivers in E-36 and in F1Q, by myself in F1A, and by Tom Vaccaro in F1B and F1G. Carrol Allen also maxed out in F1G, finishing second behind Tom in the flyoff.
