**Thank You Veterans**

**COVER:** A photo from one our significant military veteran members during his younger days. Tom Gaylor. Thanks Tom for your service to our country and to our club.

Your editor is also a veteran and here is a photo during my younger days service time. With no contest results to publish, the focus for this edition became the contest biggies for our season, namely the Arizona FreeFlight Championships in December and the SouthWest Regionals in January. The address for the SWR website is linked so you can go straight to the site for registration of more information. We hope to see you at both of those events. The editor

# Prez Speaks

Well, it finally happened! After a long period of good weather at our monthly contests, La Nina struck. When I checked the weather at 7 AM, it was raining at the field with lightning and thunder. Rich Adams, the CD, canceled the contest. The road to the field can become impassable quickly due to mud. One contest years ago, one of the contestants had his four wheel drive pickup sunk in the mud up to the chassis. The tow truck that came to pull him out got stuck also!

Since we are one of the few places with excellent winter weather, the upcoming AZFF Contest and the Southwest Regionals Contest are very important for the free-flight sport. We will have many out-of-state visitors coming to our field to enjoy our weather. Your PMAC and SWR committees have been working hard to organize these events but all of our members should take some time during the contest to assist the visitors and make them feel welcome. The AZFF contest flyer is ready, and in this newsletter. Be sure to visit [swregionals.org](http://swregionals.org) website to get the details for the SWR. We have the Armed Forces Memorial contest coming up on Sunday, November 13th and hopefully we will have great weather. See you there!

Tom

As you probably know we are manufacturing the Satellite free flight model in all sizes.

We are also in the process of stocking balsa, aircraft plywood, some specialty hard woods and exclusively Satellite City CA glue products.

We consider ourselves a specialty mail-order shop.
