NEWSLETTER OF SAN DIEGO ORBITEERS FREE FLIGHT CLUB

DECEMBER 2013

The Prez's Corner – Don Bartick

This ET was delayed so that the Board of Trustees could have their final meeting of the year. There were numerous agenda items that needed to be resolved that impacted the coming year. So by delaying this issue until after the Board meeting would allow the membership to be current on those items such as Award Banquet and Contest Schedule for 2014. The meeting was held 12/19 at the home of Mark Chomyn for an evening of intellectual discussions for the benefit of the Orbiteers. Thank you Mark for hosting the Board Meeting and to Nancy for great food. Look for the minutes in this issue.

The Board of Trustees is in need of 2 new Board Members. Anyone out there in Orbiteers land that would be interested, please contact me 858-774-2941 for more details.

I would like to see a good showing of the membership at our up in coming Awards Banquet. The venue is shared with the Scale Staffel Club and aside from the awards, there's delicious food and great drawing prizes. Makes for a nice afternoon. The price is right also. Look for the flyer in this issue.

I wish the membership a Merry Christmas and a Happy New Years. Hope the new year allows you build your favorite project(s) and find many thermals at the flying field.

This is a wrap for now.

Remember: "Things don't have to change the world to be important."

San Diego Orbiteers Quarterly Meeting of the Board of Trustees

Thursday, December 19, 2013 6:30 p.m. at the home of Mark and Nancy Chomyn

Thanks to Mark and Nancy Chomyn for hosting the meeting. Nancy provided a delicious lasagna, garlic bread, and salad, a fantastic feast! Also present were John Hutchison and Kathy, Don and Arline Bartick, Mike Pykelny, and John Merrill.

After dinner, the meeting was called to order at approx. 7:15ish.

The Minutes of the last meeting were approved as published.

No Treasurer's report, other than the last published report.

Membership Report: Greg Hutchison, son of John H., has reportedly joined the club.

Welcome Greg! There were rumors a few more may be joining shortly.

Old Business:

1. Membership Campaign. Mark has contacted Roger Willis to see if he can get the San Diego Air and Space Museum to agree to link the AMA website to theirs. He doesn't believe they will do so. We are hoping to get a link to local clubs on their site, but that doesn't "fit the mission" of the SDASM, so likely will not happen.
2. As per the last meeting, Mark has put together a log of all the motions that have passed, and is maintaining that log. Thanks, Mark, for a job well done, and for continuing to do so.

Board Meeting: From page 1

New Business:

1. Outdoor and Indoor Competition Records. A few months of competition records from 2013 are missing. Howard has printed all that was turned in to him in the E.T., but a few months of outdoor, and several months of indoor are missing. The results shall be printed elsewhere on what we do have. John Hutchison made the motion to accept the points of the 7 out of 10 outdoor contests that we have records for as the final points accumulation for the year. The motion was seconded by Mike Pykelny, and passed unanimously.
2. We have recently heard from two of our board members that wish to resign. Howard is no longer available to attend our meetings, so wished to resign from the board. After much discussion, we decided it would be advisable to retain him as a "Board Member at Large", meaning he does not have to attend meetings, and will not have voting privileges, but will be able to maintain the position of not only newsletter editor, but also our Treasurer and Membership Coordinator. Mark Chomyn made the motion spelled out above, and John Merrill seconded. The motion passed unanimously. Larry Miller is resigning as well, due to health issues. Larry has had several duties over the past several years, including Competition Director, and being in charge of our annual banquet. Mark Chomyn was railroaded/volunteered to be the new Competition Director, and will start immediately by applying to the AMA for next year's sanctions for our outdoor contests (Record Trials). John Merrill made the motion to accept Mark for Comp. Dir. Seconded by Mike Pykelny, and passed unanimously.
3. The annual banquet is all set for Saturday, January 25th 2014 in Kearny Mesa. It will be at the same restaurant

as last year, and will be the same price. There will be a flyer elsewhere in the E.T., or an email blast will follow soon. John H. made the motion to have the club put in \$100.00 for raffle prizes for the banquet. The motion was seconded by Mark Chomyn, and passed unanimously. If anyone wishes to donate kits/prizes for the banquet, they will certainly be welcomed.

4. There was much discussion pertaining to the terms of the Board members. When the Board was established last year, there was no mention of term limits or parameters. John H. made the motion that board members be in place for 2 years. The motion was seconded by Mike Pykelny, and passed unanimously.
5. The contest schedule for 2014 was discussed and set, with a few dates being tentative. Mark Chomyn will submit these dates to Howard, who will include them in this E.T., or the next one. The first contest will be the day after the banquet in January.
6. John Hutchison has the 2014 schedule for the Indoor contests at Grossmont College. The first contest will feature A-6, and will be on Jan. 5th. All indoor contests are on the first Sunday of every month, unless otherwise noted. John will submit the dates to Howard shortly for submission into the E.T.

Contest Reports: none.

Open Discussion: Don and Arline Bartick are planning their annual pilgrimage to the big contest in Eloy, AZ in January. He says it is always a fun contest, and well worth the time to attend.

The next meeting will be Thursday, March 13th, 2014 at Mike Pykelny's home in Poway. Meeting adjourned at 8:59p.m. Once again, thanks to Mark and Nancy for hosting.

Respectfully submitted by John R. Merrill,
Secretary Extraordinaire

Early hours looked grim with chill, high drift to the Northwest and the car auction yards, plus the nasty uphill retrieves, but by 10:15, it became still, much warmer, with light wind to the East with ample thermals.

Recent drizzles had smoothed out the clods in the launch area. Weeds not yet in evidence.

Langdon got major mud stuck trying to enter from the San Ysidro gateway. J.O., hobbled with a twisted but undamaged knee, stuck to short hops with his BigRed electric.

The weather gods were very good to us this date. Almost dead calm at the start of the contest and gradually increased to light winds by the time we concluded the contest.

Six (6) contestants participated in Coupe, the main event. Two (2) in Power. The spread between 1ST – 3RD in Coupe was only 5 seconds. Yours truly was the Beetle Bomb.

FROM THE WORKSHOP

Frank Allen has report in on several build projects underway. The first is a new line of Guillows profile scale kits, as shown in the following photo. This one is a P-40.

Frank also reported that he is finishing up on a Guillows 18 inch Sopwith Camel that someone else had started. Pictures follow.

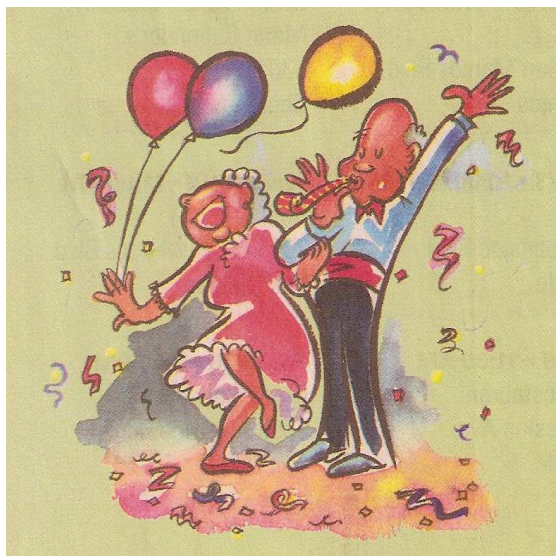

FROM THE WORKSHOP (Continued)

To complete Franks build activity, the following photos show the finished DH 60 Moth that has been underway.

OUTDOOR & INDOOR FLYING RESULTS - M.Chomyn

Above you will find the outdoor and indoor monthly contest points results.

We still need the results from the November outdoor (Nostalgia) contest to make it official. (Editors note: December outdoor results are printed in this issue of the El Torbellino.)

If anyone has access to, or knowledge of, the results from any of the other missing months please let me know.

Please review the above printed results and let me know if you see any math errors or have questions.
