**Outdoor Free Flight Contests**

In cooperation with

**Rules for Empire State Free Flight Championships, a category III meet except:**

1. Old Time Gas  
16-second engine run for ignition (no glo)  
12-second engine run for old time diesel
2. Old Time Rubber Stick and Fuselage:  
Wing Area < 150 square inches  
First three flights, 2 minute max,  
Each additional flight, max increments by 1 minute
3. 0.020 Replica/1/4A Nostalgia: 10 second engine runs, 2 minute maximums, for all flights. 3 "attempts" (less than 40 seconds) allowed for first three qualifying flights. No "attempts" in fly-offs, overruns score zero.
4. 1/2A Old Favorites: Any power model using a nostalgia legal 1/2A engine or the Cox TD 049/051. All fixed surfaces, no composite structures except for the motor mount. NFFS nostalgia rules for engine runs and maxes. Diesel engines will be allowed 2 seconds additional engine run.
5. Classic Towline: Straight Tow - no bunt NFFS Rules as of 2005. Alternate Bungee Launch per Great Grape Gathering specifics. Consult Great Grape Gathering rules or see CD at the contest. Contestants must provide their own bungee.
6. Bungee glider: 36" or less wingspan, to be launched from a bungee consisting of 75 feet of line and no more than 25 ft. of 1/8" rubber (single strand), attached to a pole or stake fixed to the ground. Three qualifying flights of 60 seconds, fly offs in increments of 30 seconds. If you wish to safeguard your bungee do not leave it on the field when not actually in use. Contestants to provide their own launcher.
7. National Cup – all events will be reported.
8. Diesel Duration Event: Three flights Friday and /or Saturday, 10 second engine run, 120 second max. Three maxes qualify for fly-off on Sunday with a 7 second run.
9. Junior National Cup events: Classic Towline, 1/2 A Gas, P-30, Catapult Glider. Juniors can fly junior events any of the three contest days.
10. FAC Golden Age Mono and Multi Wing Combined: 15 points added to total flight score for multi wing models. FAC Golden Age Mono and Multi Wing will be run as separate events if there are sufficient flyers for both events.
11. This is a mass launch event for FAC Thompson Trophy and Greve models. Both Thompson and Greve events will be held if sufficient entries are available for both events. National Air race models are not allowed in this event.
12. FAC Simplified Power Scale is an unofficial FAC event but is Kanone worthy. Rules are posted on the FAC web site.
13. This FAC event will be flown best 3 of 6 flights.

**Just a few more important notes:**

CD for FAC events is Jim DeTar, email: [jrdetar@yahoo.com](mailto:jrdetar@yahoo.com)

FAC events will be flown to Current FAC rulebook unless otherwise noted

Max times are subject to CD's discretion based on field conditions

Check in at CD's table for latest in field rules

Proof of AMA membership required for all contestants and casual flyers. MAAC cannot be accepted as MAAC no longer insures flying activity in the US.
