

Phoenix Model Airplane Club HAVING FUN WITH MODEL AIRPLANES SINCE 1934 Vol-27 No 4 Apr 2022

COVER: Robert Donnelly launching an FAI F1A for his wife Jennifer. Check the contest results page and you will notice that Jennifer flew all maxes.

The kite was up for a while in the morning but the wind died finally and made for some large thermals. The wind was resulting in some very long chases, so I got lazy and did not event set up my winding stooge. When it looked like the wind was settling down I broke out the catapult glider. I event managed to get a max on my last flight of the catapult, which I believe is my first ever max in that event. By the time I finished with catapult, I was getting hot and a bit tired so I decided to end my flying on a good note. Another good day on the flying field. I was really surprised to pass Rich Adams returning after a long chase. I was watching his model with 8X binoculars and finally lost sight of it after about ten minutes. The editor

Next Eloy Contest — Apr 24 2022

Contest Start Time: 8:00 am

Prez Speaks

Since indoor meetings have been impractical due to Covid, and meetings at the field don't work (as people want to fly), our annual business meeting was hosted on Zoom by Mike Fruciano. We did not get as many attendees as we would have liked but we got the more important issues solved. The minutes are in this newsletter; be sure to look them

over. Richard Adams will be our new Secretary and Safety Coordinator as George Morris will be out of town a lot for competitions. We want to thank George for his assistance over the past few years.

Our next contest is 8 thru 11 April at the Round Valley Dome. It is a regional indoor contest sponsored by PMAC. Then, in May, the Indoor NATs will be held in the Dome. Look over the schedules for these events in this newsletter; these contests are a lot of fun. In addition to the light weight models, NFFS and FAC events will be flown, and many of you have planes that can be flown in these contests. Our next monthly club contest is April 24th at Webster West. This will be a special spring season with lots of events. See you at the Dome and Webster West!
