

2021 NFFS SYMPOSIUM PATRON DONATION OR PRE-ORDER

Work on the 54th annual Symposium is going well and our editor this year, Jack Murphy, has many well written papers by various authors. The Patron donation and pre-order system we used last year worked well and we continue with it this year as it saved a lot of extra work for our publications person.

The Patrons Program is still in effect and with your Donation your name will be printed on the Patrons page in the Symposium. Your donation supports the NFFS's continuing effort to produce the World's premier, annual Free Flight publication. Thank You all in advance for your continued support of our hobby/sport.

Your NAME on the Patrons page is visible proof of your support of the NFFS Symposium unless you prefer to be anonymous. Our goal is to have the Symposium in the mail to coincide with the 2021 AMA Free Flight Nationals in Muncie, IN, so look for your copy to arrive early August.

As last year the Patron level is \$75 or more, as you see fit, and pre-order is \$40. Amounts for Canada, Mexico and Foreign orders are on the return form. All contributions above \$40 are tax deductible on your Federal tax return.

The deadline for all orders, Pre and Patron is June 25, 2021. Please follow through quickly so you will not be left out.

We accept PayPal payments to: ffmaxdt@yahoo.com
