# THE NATIONAL FREE FLIGHT SOCIETY

Membership in NFFS offers opportunities to youths of all ages for learning the art of construction, adjusting and flying model aircraft with mentors, friends and others in fun-flyes and competitions. More than 1,700 persons in the United States and elsewhere belong to the Society. Benefits include subscription to the NFFS Free Flight Digest, a monthly publication that regularly features extensive articles on all types of free flight models, the schedules & results of contests, and rules that govern the competitions. The NFFS web site at <http://www.freeflight.org> provides information on all aspects of free flight modeling, including a Master Contest schedule for the U.S. and links to a number of other free flight organizations such as the Academy of Model Aeronautics (AMA) and the Federation Aeronautique Internationale (FAI).

The membership form on the following page can be used to join the NFFS.
