

UTA Science Olympiad Invitational

Flight Clinic

FRIDAY OCTOBER 28, 2022 UT AUSTIN REC SPORTS CENTER GYM 3PM-8PM

Friday Before the Tourney

Learn—Fly—Practice!

A Seminar opportunity **before the UTA Invitational** Science Olympiad Competition

On-site learning and competition opportunity from Coach Josh Finn and Coach Dave Lindley of NFFS

Learn

- Maximize your winding of rubber motors
- Basic airplane trimming
- Matching rubber with propeller and ceiling height
- How to use a torque meter
- Logbook
- Taking your flying to the next level

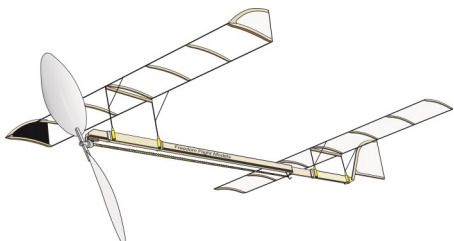

Fly

- Fly 2022 Flight B & C airplanes, P-18, Limited Penny Plane
- Focus on 2022 planes, but any year may be flown
- Unlimited test flights and improvement

Practice

- Get your SO Flight models trimmed and ready to compete on Saturday at the UTA Science Olympiad Invitational in the same Gym where the event will be flown

Open to all SO Students, UTA Invite Entry is Encouraged
